

Hi, I'm Anya Bruno, a graphic design artist with a passion for architecture and interior design. I understand color. I love the visual diversity of San Francisco architecture where I have lived for over 30 years. I would love to work with you on making the best choices for your building exterior design and increase its marketing potential.

DETAILS OF SERVICES

Exterior Color consult with a personal visit: \$500

For basic design: main body, trim and detail of 3-4 colors, I will provide simple renderings of your building in proposed colors, swatches and recommendations for paint brands.

Exterior Complex Color consult with a personal visit: \$700 - \$1500

For more complex designs: main body, trim and detail of 5+ colors, I will provide renderings of your building, photos of the property marked with colors, paint swatches and recommendations for paint brands.

Enhancements: \$500

Any architectural details that are not currently part of the property, such as trim, moldings, decorative elements to be added, I will provide examples and recommendations on where to purchase.

Travel Fee outside of San Francisco: \$50

Bay Area only.

Let this professional help you visualize your project to maximize its potential and increase the value of your property. Schedule your consultation today.
